Join Exciting Talks During the Preview!

Thursday 6 June 11 am–6 pm

11 am Opening of Preview

3–6 pm Bubbly and Music

4 pm Talk: “Skagen Seen With New Eyes”

by cultural critic and author Lilian Munk Rösing, based on art works from the “Northern Light – the Artists’ Colony at Skagen” Auction.

Friday 7 June 11 am–5 pm

3 pm Talk: “Antique Silver on the Dinner Table”

by specialist in antique silver and royal collectibles Martin Hans Borg.

Saturday 8 June 10 am–4 pm

1 pm Talk: “Pocket Watches – Why Collect Them, and What Directions Can You Go in as a Collector?”

by master watchmakers Rune Bakkendorff and Søren Andersen in conversation with our watch specialist Frederik Plum.

2 pm Talk: “Danish Friendship Portraits from Rome”

by art dealer Peter Titelbech about Circolo Scandinavo’s collection of more than 70 portraits by Danish and Nordic artists who, from the early 1800s and up to around 1880, were drawn to Italy and not least the capital Rome.

Freshly ground coffee will be served by Oliver from Amiga Coffee on all the days.

DKK 30,000–40,000 / € 4,000–5,350

772

772

CARTIER

Model: Tank Américaine

Reference: 1734B

Movement: Manual, cal. 430

Material: Platinum

Diameter: 26.5 x 37 mm

Strap: Cartier alligator strap

Clasp: Cartier folding clasp of 18k white gold

Year: 1997

Accompanied by Cartier wooden box, loupe, service receipt from Cartier 2022 and certificate from 1997.

The history of the Cartier Tank traces back to the early 20th century when Louis Cartier, inspired by the design of the Renault tanks during World War I, created the iconic Tank watch in 1917. The Tank Américaine was introduced later in 1989, featuring a longer elongated case than its predecessor. Its distinctive silhouette captured the spirit of Art Deco, a design movement characterized by geometric shapes and streamlined forms.

The Cartier Tank Américaine in platinum is the pinnacle of luxury wristwatches, embodying the refinement and elegance that resonates with the Cartier brand. Its sleek, rectangular case with softened edges pays homage to the original Tank design while incorporating modern sophistication.

This lot is subject to CITES export/import restrictions and can only be shipped to addresses within the EU or collected from one of our departments. Please contact the department for further details.

PATEK PHILIPPE

Model: Perpetual Calendar

Reference: 5159G

Movement: Automatic, cal. 324 S QR

Material: 18k white gold

Diameter: 38 mm

Strap: Patek Philippe alligator strap

Clasp: Patek Philippe folding clasp of 18k white gold

Year: 2011

Accompanied by Patek Philippe box with built-in watch winder, manuals, service receipt from Patek Philippe (dated October 2023), certificate and purchase receipt from Hvelplund 2011.

Collecting watches is a journey that requires a lot of choices. Many good and bad decisions will be made as a collector matures. A developed collection is not necessarily like other developed collections, but one thing is sure: they will often include at least one complicated Patek Philippe watch.

The reference 5159G is interesting in many ways. What one usually looks at first is the dial. Although the watch has four hands and four apertures, it does not seem clumsy. The date display is elegantly shown in the centre of the dial via a retrograde hand, whereas the rest of the calendar is shown in three apertures. At six o'clock is the moon phase indicator, showcasing probably the most romantic of all horological complications.

When turning to the case design, it seems as if the watch has a closed caseback. However, after some inspection, a hinge and a lip show, indicating that it has an officer-style caseback that allows inspection of the handmade and quite complex movement. This emphasizes the understated and unpretentious sense of luxury that surrounds this watch.

When the watch is not worn, it can be put to rest in the accompanying Patek Philippe box with a built-in watch winder. This makes sure that the calendar is always correct. And do not be afraid of having to take the watch to your watchmaker anytime soon – it has just been serviced by Patek Philippe in October 2023.

This lot is subject to CITES export/import restrictions and can only be shipped to addresses within the EU or collected from one of our departments. Please contact the department for further details.

PATEK PHILIPPE

Model: Calatrava

Reference: 2526J

Movement: Automatic, cal. 12-600AT

Material: 18k gold

Diameter: 36 mm

Strap: Leather strap

Buckle: Buckle of steel

Year: 1953

The Patek Philippe reference 2526 is one of the most collectible Patek Philippe wristwatches. But why? The main attraction of the watch is the enamel dial. On pocket watches from the 1800s to early 1900s, enamel dials were the standard, as wages were lower. But since the production of enamel dials require both time and an immense amount of skill, less costly and more robust printed dials became the norm during the 20th century. Secondly, the ref. 2526 features the first serially produced Patek Philippe movement with automatic winding – this being the calibre 12-600AT. This was a momentous achievement and the first in a line of many self-winding in-house movement. That being said, the calibre 12-600AT, with its beautifully engine-turned winding rotor, is perhaps the best looking of them all. Lastly, the case measures a boasting 36 mm, whereas its counterparts from the 1950-60s usually measured a few millimetres smaller. This means that the watch is much more wearable today.

What makes this example even more special is, that it has a movement number just 180 numbers after the very first reference 2526. Important to bear in mind is, that the movement numbers are not just for this reference but for all of Patek Philippe's production. Hence, this example is one of the earliest ever made. This is supported by the Extract from the Archives from Patek Philippe, confirming the year of production and sale to 1953. Moreover, it has the earliest iteration of the dial, where the indexes are not glued onto the enamel, but rather riveted onto it. The dial is furthermore in immaculate condition.

The caseback bears a personal engraving, leading to the history of the original owner. The watch was given after 25 years of faithful service in a larger Danish company. The watch comes directly from the family of the original owner of the watch.

Accompanied by an Extract from the Archives from Patek Philippe confirming the year of production and sale to 1953.

GLASHÜTTE ORIGINAL

Model: Senator "Meissen"

Reference: 100-10-01-01-04

Movement: Automatic, cal. 100

Material: 18k rose gold

Diameter: 40 mm

Strap: Glashütte Original alligator strap

Buckle: Glashütte Original Buckle of 18k rose gold

Year: 2012

Accompanied by Glashütte box, manual, purchase receipt and warranty from Wempe 2012, and certificate from 2012.

It is rare that watchmaking companies collaborate with firms outside of their industry. This watch, however, is the product of one such collaboration.

Perhaps the most legendary German porcelain maker, Meissen, has teamed up with the much younger German watchmaking company Glashütte Original. Together, they have made a series of watches that incorporate the specialties of both: top quality porcelain and beautifully made watches.

Although Meissen is more than 300 years old and Glashütte Original is just 30, their design languages perfectly emerge on this timepiece. Classical, yet up to date.

But what is it, that makes this porcelain dial so special, and why is it that we are so rarely presented with them? The short answer is that it is because of the difficulty of production. The porcelain must be carefully fired in an oven between 1,200–1,400 degrees Celsius and then hand painted. According to the website Deployant, this particular dial takes 8–10 hours to paint.

This is one of those watches that only gets better the closer you get to it. It must be seen through a loupe and tried on the wrist to really feel and understand the beauty of this piece.

This lot is subject to CITES export/import restrictions and can only be shipped to addresses within the EU or collected from one of our departments. Please contact the department for further details.

URBAN JÜRGENSEN

Reference: 2

Movement: Automatic, cal. FP71

Material: 18k. gold

Diameter: 38 mm

Strap: Leather strap

Buckle: buckle of gold-plated steel

Year: 1990

Very few watchmaking companies with Danish origin are internationally renowned. None are more appreciated than Urban Jürgensen. Although the company has gone through many different phases throughout its existence, it is today mostly recognised by its wristwatches. To collectors of fine watchmaking, the name Derek Pratt brings a smile to the face. Very few watchmakers have made better looking, higher quality dials than Pratt. He managed to combine historical methods of engine-turning and hand-making with modern sizing and aesthetics. And with a CEO like Peter Baumberger, who never let anything leave the atelier unless it was 100% perfect, you can expect incredibly beautiful and well-made watches.

After 251 years of existence, Urban Jürgensen is once again being revived by Finnish/Swiss watchmaking genius Kari Voutilainen. Hence, collectors around the globe are looking for Jürgensen pieces to add to their collections with renewed interest – and there are not that many to choose from, as they were all made in limited quantities.

This particular watch was sold in May 1990, just a few weeks after the launch during BaselWorld. This is confirmed by the extract from the archives, which also tells us that the watch was made in 1989.

Accompanied by Urban Jürgensen ostrich leather-lined mahogany box, manuals in English and German, Urban Jürgensen alligator strap with Urban Jürgensen buckle of 18k gold and extract from the archives confirming the date of sale to May 5th, 1990, and the date of manufacture to November 6th, 1989 (a year earlier than the launch of the watch).

NORTHERN LIGHT

– *the Artists' Colony at Skagen*

Online Auction 17 June 2024
at bruun-rasmussen.dk

Disse købsvilkår udgør Bruun Rasmussen Kunstauktioner A/S' ("BRK") købsvilkår for Liveauktioner og er gældende fra 1. februar 2017.

BRK kan til enhver tid ændre købsvilkårene.

Ved bud accepterer budgiver/køber at være bundet af de til enhver tid gældende købsvilkår, som fremgår på bruun-rasmussen.dk. Købsvilkårene gælder både i forhold til erhvervsdrivende og forbrugere.

FØR AUKTIONEN

1 VURDERING AF GENSTANDE

- 1.1 Alle udbudte genstande er vurderet af BRK. Vurderingen er et skøn over det forventede hammerlag, jf. punkt 5.3. Vurderingen er baseret på tidligere salg af samme type genstande og erfaringer hos BRK. Hammerslag kan derfor falde højere eller lavere ud end vurderingen.

2 BESKRIVELSE AF GENSTANDE

- 2.1 Udbudte genstande præsenteres med fotos og beskrivelse i kataloger og på bruun-rasmussen.dk. Beskrivelsen foretages efter bedste overbevisning af BRK og ud fra en nøje undersøgelse efter den på salgstidspunktet herskende opfattelse blandt eksperter.
- 2.2 De udbudte genstande er af en alder og art, der bevirker, at de ofte er behæftede med slitage, mangler, beskadigelser og reparationer. Som udgangspunkt sælges alt som brugte genstande, og derfor indeholder beskrivelsen i kataloget og på bruun-rasmussen.dk ikke en redegørelse for ovenstående punkter eller genstandens stand.
- 2.3 I visse tilfælde vælger BRK at beskrive en genstands oprindelse. Det sker, hvis en tidligere ejer er offentlig kendt, og/eller hvis historien om et tidligere ejerskab belyser genstanden og dens art. Omvendt sker det også, at sådanne informationer udelades fra beskrivelsen, f.eks. for at imødekomme sælgers ønske om diskretion.
- 2.4 Vurderingen og beskrivelsen kan blive revideret forud for auktionen. Ændringer offentliggøres på bruun-rasmussen.dk

3 EFTERSYN

- 3.1 Udbudte genstande udstilles op til auktionen i et show-room hos BRK. Potentielle budgivere opfordres til at se genstanden efter i detaljer og har selv ansvaret for at forvisse sig om dens stand på disse eftersyn, hvor der også er mulighed for at rådføre sig hos vurderingssagkyndige.
- 3.2 Hvis en potentiel køber ikke har mulighed for at besigtige genstanden ved selvsyn, kan der i de fleste tilfælde udfærdiges en konditionsrapport. Beskrivelsen heri er foretaget efter BRK's bedste overbevisning, men er ikke baseret på videnskabelige undersøgelser. En konditionsrapport tjener blot som identifikation og er ment som en hjælp til budgivere, der ikke selv har mulighed for at besigtige genstanden på eftersynet.

UNDER AUKTIONEN

4 BRK'S ROLLE

- 4.1 Salget af en genstand formidles af BRK på vegne af sælger. BRK afhænder altid udbudte genstande til den højst mulige pris under budgivningen.
- 4.2 Udbudte genstande kan have en med sælger aftalt mindstepris, hvorunder den ikke kan sælges. Denne pris er fortrolig.
- 4.3 Liveauktioner overværes af en af Justitsministeriets beskikket auktionsleder, der sikrer, at auktionerne går retmæssigt for sig.

5 BUDGIVNING

- 5.1 Auktionerne afvikles i danske kroner. De tilnærmelsesvis beløb i euro/US dollar vil blive oplyst på skærme i auktionssalen og i øvrigt på opfordring.
- 5.2 Auktionarius bestemmer overbuds størrelse og i hvilket tempo, auktionen afvikles. Overbud stiger normalt med 5 % - 10 % i forhold til det foregående bud. Normalt sælges der 50-100 katalognumre i timen.
- 5.3 Hammerslag betegner både det forhold, at auktionarius slår med hammeren og derved markerer budgivningens afslutning, og den pris (budsum), den udbudte genstand sælges til. Se punkt 7 vedrørende beløb, der tillægges hammerlaget.
- 5.4 Køber er den budgiver, der opnår hammerlag. Ved hammerlaget indgås på baggrund af disse købsvilkår en bindende købs-/salgsaftale.
- 5.5 Bydes på andres vegne, hæfter budgiver som selvskyldnerkautionist for handlen.
- 5.6 Genstande købes som beset, og køber har uanset budtype ingen fortrydelsesret, heller ikke efter forbrugeraftaleloven.
- 5.7 Budgiver skal efter anvisninger fra BRK identificere sig og dokumentere sin betalingsdygtighed, f.eks. ved registrering af gyldigt betalings-/kreditkort, bankgaranti eller indbetaling af depositum.
- 5.8 BRK kan nægte at acceptere et bud, hvis en tilstrækkelig sikkerhed for betaling mangler, eller hvis budgiver tidligere har misligholdt betalingsforpligtigelser ved køb hos BRK.
- 5.9 Auktionslederen træffer i samråd med auktionarius afgørelse i alle tvivlstilfælde omkring budgivningen.

6 BUDTYPER

- 6.1 Der er følgende muligheder for at afgive bud:

PERSONLIGT FREMMØDE:

Registrering og udlevering af bydeskilt foregår ved indgangen til auktionssalen. Når budgiver ønsker at byde, signaleres dette til auktionarius ved at række bydeskiltet i vejret og tydeligt fremvise dets nummer.

KOMMISSIONSBUD:

Det ønskede maksimale bud kan afgives via bruun-rasmussen.dk frem til auktionens start eller pr. e-mail, fax eller telefon, så budet er modtaget senest 24 timer forud for auktionens start. En kommissionær byder på budgivers vegne inden for rammerne af det ønskede maksimalbud og vil altid afgive lavest muligt overbud.

TELEFONBUD:

I forhold til visse genstande er der mulighed for at blive ringet op af en medarbejder fra BRK, der vil byde på budgivers vegne under auktionen. Servicen kan bestilles via bruun-rasmussen.dk indtil tre timer før auktionens start.

LIVE BIDDING:

Det er muligt at følge auktionen live og byde med via bruun-rasmussen.dk

FORAUKTION:

Visse Liveauktioner indledes med en Onlineauktion. De højeste bud på Onlineauktionen danner udgangspunktet på den efterfølgende Liveauktion.

EFTER AUKTIONEN

7 BELØB, DER TILLÆGGES HAMMERSLAGET

- 7.1 1 tillæg til hammerslaget, jf. punkt 5.3, skal køber for den enkelte genstand betale købersalær og, hvis betingelserne er opfyldt, de øvrige beløb, der er nærmere beskrevet nedenfor. Det samlede beløb, som køber skal betale til BRK, benævnes "købesummen".
- 7.1.1 Købersalær: Hammerslaget tillægges et salær til BRK. På Liveauktioner udgør salæret 25,6 % af hammerslaget + moms af salæret, i alt 32 %. For frimærker og mønter udgør salæret 20 % af hammerslaget + moms af salæret, i alt 25 %.
- 7.1.2 "LIVE bidding": BRK's "LIVE bidding"-software via bruun-rasmussen.dk er gratis at benytte for budgivere.
- 7.1.3 Fuldmoms: Visse genstande handles efter de gældende regler om fuldmoms. Her beregnes der moms på 25 % af både hammerslag og salær. Disse genstande er i beskrivelsen i kataloget og på bruun-rasmussen.dk mærket med symbolet "M" eller med teksten: "Dette emne handles i fuldmoms".
- 7.1.4 Kunstnerafgift: Ifølge dansk lovgivning om ophavsret skal der opkræves kunstnerafgift (følgeretsvederlag) for værker af nyere danske og visse udenlandske kunstnere, som enten er nulevende eller ikke har været døde i mere end 70 år. Kunstnerafgiften opkræves på vegne af VISDA. Disse værker er i kataloget mærket med "ARR" (Artist's Resale Right) og på bruun-rasmussen.dk med teksten "Dette emne er belagt med kunstnerafgift". Kunstnerafgiften tillægges hele hammerslaget + salær (ekskl. moms), når beløbet overstiger 300 euro, som angivet nedenfor:

Hammerslag + salær (ekskl. moms)	Betalingssats
300,01 - 50.000 euro	5%
50.000,01 - 200.000 euro	3%
200.000,01 - 350.000 euro	1%
350.000,01 - 500.000 euro	0.5%
over 500.000 euro	0.25%

Kunstnerafgiften kan ikke overstige 12.500 euro (ekskl. moms) for den enkelte genstand. Afgiften skal betales i danske kroner, og omregningskursen (EUR/DKK) fastsættes af VISDA.

- 7.1.5 Betalings-/kreditkortgebyr: BRK forbeholder sig ret til at opkræve de af indløsningsselskaberne pålagte betalings-/kreditkortgebyrer. Satserne fremgår ved budgivning via bruun-rasmussen.dk og ved betaling.

8 BETALINGSFRIST

- 8.1 Købesummen forfalder til betaling ved hammerslaget, og køber har herefter otte dage til at betale købesummen til BRK.

9 BETALINGSMÅDER

- 9.1 Betaling kan ske på følgende måder:

A: Med betalings-/kreditkort (Dankort, Visa, MasterCard, Maestro, Diners Club, JCB og China UnionPay) eller kontant (op til 14.999 kr.) i auktionssalen eller efterfølgende i en afdeling hos BRK. Bemærk, at vi ikke modtager 500-eurosedler.

B: Med betalings-/kreditkort (Dankort, Visa, MasterCard, Maestro, Diners Club og JCB) på bruun-rasmussen.dk under købers personlige side.

C: Via bankoverførsel til BRK's konto i Danske Bank: 4183 4310970638 · Swift/BIC: DABADKKK · IBAN: DK4130004310970638.

10 MOMSFRTAGELSE, -BETALING OG -DEPONERING

- 10.1 Visse købere kan vælge hvilken momstype, der skal være gældende for handlen. Valget skal meddeles BRK senest to hverdage efter købet og kan ikke omgøres.

A: Momsregistrerede virksomheder i Danmark kan vælge, at handlen skal ske efter reglerne om fuldmoms, jf. punkt 7.1.3.

B: Momsregistrerede virksomheder i et andet EU-land kan fritages for dansk moms, når det kan dokumenteres, at genstanden er transporteret til den udenlandske adresse, som køber har oplyst over for BRK, og som er anført på fakturaen. I sådanne tilfælde skal der afregnes moms efter de gældende regler i det land, hvor køber er momsregistreret. Det tilrådes at søge oplysning hos de lokale myndigheder. Køber kan undlade at gøre brug af muligheden for momsfritagelse og i stedet betale dansk brugtmoms/fuldmoms.

C: Købere med bopæl uden for EU kan fritages for dansk moms, når det kan dokumenteres, at genstanden er transporteret ud af EU. BRK udsteder så vidt muligt og mod gebyr de fornødne eksportpapirer, som skal fremvises ved toldmyndighederne. Køber kan undlade at gøre brug af muligheden for momsfritagelse og i stedet betale dansk brugtmoms/fuldmoms.

- 10.2 Momsregistrerede virksomheder i et andet EU-land og købere med bopæl uden for EU skal deponere den danske moms af fakturabeløbet hos BRK, indtil eksporten er gennemført på dokumenteret lovligt vis. Foretages eksporten af en af BRK godkendt speditor, skal momsen ikke deponeres. Se listen over godkendte speditorer på bruun-rasmussen.dk

11 OVERSKRIDELSE AF BETALINGSFRIST

- 11.1 Overskrides en betalingsfrist, herunder fristen i punkt 8, opkræves morarenter, som beregnes efter Nationalbankens officielle udlånsrente + 8 % om året af det skyldige beløb.
- 11.2 Betales købesummen inkl. renter ikke senest ti dage efter, at der er fremsat påkrav herom, er BRK berettiget til at søge købesummen betalt ved modregning i depositum/ved træk på bankgaranti eller at hæve købet.
- 11.3 Hæves købet, er BRK berettiget til at sælge genstanden på en ny auktion og kræve omkostningerne og en eventuel difference mellem hammerslag (samt salær), der er opnået på de to auktioner, betalt af den misligholdende køber.
- 11.4 Alle forfaldne krav (inkl. omkostninger), som ikke betales rettidigt, kan BRK i tillæg til inkasso søge inddrevet på følgende måder:

A: For købers regning sælge genstande indleveret til auktion af eller på vegne af køber. Salget kan gennemføres uden hensyntagen til en aftalt mindstepris. Genstande indleveret til auktion kan ikke kræves udleveret, så længe forfalden gæld henstår ubetalt.

B: Inddrage købers tilgodehavende hos BRK, herunder tilgodehavende fra salg af genstande indleveret af eller på vegne af køber, uanset om et sådant tilgodehavende stammer fra auktionssalg, som ligger forud for eller efter tidspunktet for købers misligholdelse.

12 AFHENTNING OG UDLEVERING

- 12.1 Ejendomsretten til en købt genstand overgår til køber, når hele købesummen inkl. eventuelle renter og gebyrer er betalt, og først herefter kan udlevering af genstanden finde sted.
- 12.2 Ved udlevering af en købt genstand forbeholder BRK sig retten til at kræve tilfredsstillende dokumentation for, at den person, som ønsker genstanden udleveret, enten selv er køberen eller er bemyndiget af køberen til at få genstanden udleveret.
- 12.3 Udlevering af visse våben kræver forevisning af gyldig våbentilladelse. Sådant krav er angivet med teksten "Køb af dette emne kræver forevisning af gyldig våbentilladelse" i kataloget og på bruun-rasmussen.dk
- 12.4 Købte genstande henligger fra hammerslaget for købers regning og risiko. Afhentning skal ske senest otte hverdage efter sidste auktionsdag.
- 12.5 Foretages afhentningen ikke rettidigt, transporteres de købte genstande til et lager for købers regning og risiko. Transporten koster 150 kr. inkl. moms pr. genstand, og opbevaringen koster 150 kr. inkl. moms pr. genstand pr. påbegyndt uge. Henligger en genstand uafhentet i så lang tid, at lagerlejen overstiger genstandens værdi, er BRK berettiget til for købers regning og risiko og uden hensyn til mindstepris at bortauktionere genstanden eller sælge den underhånden. Køber hæfter fortsat for udgifter til transport og lagerleje, der ikke dækkes ved sådant salg.
- 12.6 I henhold til gældende hvidvaskeovngivning skal køber i visse tilfælde udlevere identitetsoplysninger og fremvise billed-id til BRK, før køber kan få den købte genstand i sin besiddelse

13 FORSENDELSE

- 13.1 Er køber forhindret i selv at afhente en genstand, tilbyder BRK for købers regning og risiko at emballere og arrangere forsendelse enten med post eller speditør. Se punkt 12.2 angående legitimation.

14 EKSPORTTILLADELSE

- 14.1 For at sikre at dansk kulturarv af afgørende betydning forbliver i Danmark, kan Kulturværdiudvalget for visse genstandes vedkommende nedlægge eksportforbud. Hvis køber ønsker at eksportere en genstand ud af Danmark, hvor der er nedlagt et eksportforbud, annulleres købet, og Kulturværdiudvalget er forpligtet til at overtage genstanden til den pris, der blev opnået på auktionen. Køber kan ikke rejse krav mod BRK som følge af, at et eksportforbud bliver nedlagt.
- 14.2 Visse genstande er omfattet af Washingtonkonventionen, også kendt som CITES, der har til formål at stoppe ulovlig handel med genstande fremstillet af udryddelsestruede vilde dyr og planter. Såfremt en genstand er omfattet af Washingtonkonventionen, CITES, liste 1, vil det fremgå af beskrivelsen på bruun-rasmussen.dk og være markeret med symbolet "©" i kataloget. Følgende regler gør sig gældende:
 - A: Genstande omfattet af Washingtonkonventionen, CITES, liste 1, må kun handles, når der foreligger en dispensation i form af et såkaldt CITES-salgscertifikat. BRK indhenter det fornødne certifikat fra Naturstyrelsen, der tillader handel og eksport til lande inden for EU. Dog kan genstande, som er færdigforarbejdet før 1947, frit handles inden for EU uden et certifikat.
 - B: Det er alene genstande omfattet af Washingtonkonventionen, CITES, liste 1, som er særkilt markeret på bruun-rasmussen.dk og i kataloget. Genstande omfattet af Washingtonkonventionen, CITES, liste 2, der frit kan sælges og transporteres inden for EU, er ikke særkilt markeret.
 - C: Ved eksport til lande uden for EU skal der uanset årstallet for genstandens færdigforarbejdning altid indhentes en CITES-reeksporttilladelse fra Naturstyrelsen,

når genstanden er omfattet af Washingtonkonventionen, CITES, liste 1 og 2. Denne eksporttilladelse kan normalt indhentes problemfrit, når liste 1-genstande enten er solgt med et CITES-salgscertifikat eller er færdigforarbejdet før 1947. Liste 2-genstande opnår ligeledes normalt problemfrit en reeksporttilladelse. Eventuelle omkostninger, der opkræves at de danske myndigheder i forbindelse med udstedelse af en reeksporttilladelse, vil blive pålagt købers faktura.

- D: I forbindelse med eksport til lande uden for EU kan særlige regler gøre sig gældende ifm. den efterfølgende import, og køber opfordres til at indhente oplysninger fra egne myndigheder.

15 MANGLER VED KØBTE GENSTANDE

- 15.1 Købelovens mangelsregler kan finde anvendelse. Nedenfor er angivet et ikke udtømmende uddrag af købers mangelsbeføjelser.
- 15.2 Køber er berettiget til at annullere et køb, hvis beskrivelsen har været behæftet med væsentlige fejl, der har ført til et højere hammerslag, end en korrekt beskrivelse ville have resulteret i. I sådanne tilfælde vil den samlede købesum blive refunderet. Køber kan ikke kræve betaling af renter af købesummen eller kræve dækning af anden udgift eller tab.
- 15.3 Et køb kan ikke annulleres, og køber kan ikke kræve købesummen refunderet eller rejse noget andet krav mod BRK, hvis beskrivelsen af genstanden er i overensstemmelse med punkt 2, eller hvis en påvisning af falskneri havde krævet brug af videnskabelige metoder, der enten ikke var tilgængelige på salgstidspunktet, havde været uforholdsmæssigt omkostningskrævende at anvende eller havde ført til beskadigelse af den pågældende genstand.
- 15.4 Krav om annullering af et køb skal meddeles BRK, når køber er blevet bekendt med det forhold, der berettiger køber til at annullere købet, dog senest to år fra den seneste afhentningsdato efter punkt 12.4. Den købte genstand skal returneres til BRK i samme stand som på hammerslagstidspunktet. Overholdes disse betingelser ikke, mister køber retten til at annullere købet og kan ikke kræve købesummen refunderet. Køber er selv ansvarlig for at betale de omkostninger, der er forbundet med returnering af genstanden.

16 INDSIGELSE- OG ANSVARSBEGRÆNSNING

- 16.1 BRK tager forbehold for fejl, tekniske vanskeligheder samt udefrakommende misbrug eller forstyrrende påvirkning under auktionen. Budgivere kan ikke rejse noget krav mod BRK som følge heraf.
- 16.2 Køber er i alle tilfælde selv ansvarlig for korrekt betaling af moms og andre afgifter, gebyrer mv. i overensstemmelse med danske og udenlandske regler.
- 16.3 Medmindre andet fremgår af disse købsvilkår, kan BRK aldrig blive ansvarlig for budgivers/købers driftstab, avancetab, andre indirekte tab eller følgeskader.

17 PERSONDATAPOLITIK

- 17.1 Det er vigtigt for BRK at sikre fortrolighed og sikkerhed omkring budgivers/købers personlige oplysninger. Persondatapolitikken fremgår af bruun-rasmussen.dk.

18 KLAGE, TVISTLØSNING OG LOVVALG

- 18.1 Har budgiver/køber en klage, kan der altid rettes henvendelse til BRK.
- 18.2 Lykkes det ikke at finde en løsning, kan forbrugere sende en klage til Nævnenes Hus, Toldboden 2, 8800 Viborg, e-mail: naevneneshus.dk. Forbrugere med bopæl i et andet EU-land end Danmark kan klage til EU-Kommissionens online klageportal via hjemmesiden: <http://ec.europa.eu/odr>.
- 18.3 Tvister skal indbringes i Danmark ved Københavns Byret, jf. dog punkt 18.2. I forbrugerforhold gælder de ufravigelige værnetingsregler.

Bruun Rasmussen Kunstauktioner

Rev. 03.24

These conditions of purchase represent Bruun Rasmussen Kunstauktioner A/S' ("BRK") conditions of purchase for Live Auctions and are effective from 1 January 2017. BRK may modify the conditions of purchase at any time.

By bidding, the bidder/buyer accepts the current conditions of purchase as they appear on bruun-rasmussen.dk. The conditions of purchase are applicable to both business owners and consumers.

BEFORE THE AUCTION

1 VALUATION OF ITEMS

- 1.1 All the offered items are valued by BRK. The valuation is an estimate based on the expected hammer price, see paragraph 5.3. The estimate is based on the previous sale of similar items as well as BRK's past experience. The hammer price can therefore be higher or lower than the estimated price.

2 DESCRIPTION OF ITEMS

- 2.1 Items up for auction are presented with photographs and descriptions in catalogues and on bruun-rasmussen.dk. The description is worded according to the best of BRK's knowledge and based on detailed research in accordance with the prevailing views among experts at the time of sale.
- 2.2 The items up for auction are of an age and nature that often mean that they are in a worn, repaired or damaged condition. As a starting point everything is sold as used items. For this reason, the descriptions in the catalogue or at bruun-rasmussen.dk do not include a statement regarding the above or the condition of the item.
- 2.3 In some cases, BRK may choose to describe an item's provenance. Such a description is made if a former owner is publicly known and/or if the story of previous ownership sheds further light on the item and its background. In other cases, such information is left out of the description, for instance to meet the seller's wish for privacy.
- 2.4 It is possible that the estimate and description are revised prior to the auction. Changes are published on BRK's website.

3 PREVIEW

- 3.1 Items up for auction are presented prior to the auction in one of BRK's showrooms. Potential bidders are encouraged to inspect the items closely and are responsible for determining the condition of the items at these previews, where they also have the opportunity to consult with the valuation experts.
- 3.2 If a potential buyer does not have the opportunity to inspect the item personally, a condition report can be drafted in most cases. The description in this report has been made according to BRK's honest conviction but is not based on scientific studies. A condition report only serves as an identification and is meant as an aid to bidders who do not have the opportunity to inspect the item at the preview.

DURING THE AUCTION

4 THE ROLE OF BRK

- 4.1 The sale of an item is facilitated by BRK on behalf of the seller, and BRK always sells items up for auction at the highest price offered during the bidding round.

- 4.2 Items up for auction can have a reserve price that has been agreed upon with the seller. The price is confidential and the item cannot be sold below this price.

- 4.3 The Live Auctions are presided over by one of the Danish Ministry of Justice's appointed auctioneers, ensuring that the auctions proceed correctly and lawfully.

5 BIDDING

- 5.1 The currency used while the auctions take place is Danish kroner. The approximate amount in euro/US dollars is shown on screens in the saleroom and also on request.
- 5.2 The auctioneer determines the size of the bid increment and the pace of the auction. Bid increments usually rise by 5% - 10% compared to the previous bid. Approximately 50-100 auction lots are sold per hour.
- 5.3 The hammer price refers both to the gavel used by the auctioneer that signifies the end of a bidding round on an item and to the price (bidding amount) that the item up for auction is sold for. See paragraph 7 regarding amounts added to the hammer price.
- 5.4 The buyer is the bidder that submits the highest bid, thereby obtaining the hammer price. At the moment the hammer price is determined, a binding purchase/sale agreement is entered into based on these conditions of purchase.
- 5.5 If bids are made on behalf of others, the bidder serves as surety for the transaction.
- 5.6 Items are purchased in their present state and condition, and regardless of the type of bidding the buyer has no right to cancel his purchase, neither under the Danish Consumer Contracts Act.
- 5.7 Bidders are required, in accordance with BRK's instructions, to identify themselves and document their ability to pay, for instance by registration of a valid debit/credit card, bank guarantee or a deposit.
- 5.8 BRK may refuse to accept a bid if a sufficient guarantee of the bidder's ability to pay is not provided, or if the bidder has previously defaulted on payment obligations on purchases from BRK.
- 5.9 The overseeing auctioneer will, in consultation with the auctioneer at the podium, decide what to do in matters of dispute concerning a bidding round.

6 TYPES OF BIDDING

- 6.1 Bidding options:

IN PERSON:

Registration and obtaining the bidding paddle take place at the entrance to the saleroom. When the bidder wishes to bid, it is signalled to the auctioneer on the podium by raising the bidding paddle in the air and clearly displaying its number.

COMMISSION BIDS:

The intended maximum bid can be submitted via bruun-rasmussen.dk until the start of the auction or by e-mail, fax or phone, so that the bid is received no later than 24 hours prior to the start of the auction. A commission agent bids on behalf of the bidder within the limits of the stated maximum bid. The commission agent will always bid the lowest possible amount to achieve the hammer price.

TELEPHONE BID:

With certain items it is possible to have a BRK employee call the bidder over the phone. The employee will then bid on behalf of the bidder during the auction. The service can be booked via bruun-rasmussen.dk up until three hours before the auction is set to begin.

LIVE BIDDING:

It is possible to follow the auction live and bid on the auction lots via bruun-rasmussen.dk.

PRE-AUCTION:

Some Live Auctions are preceded by an online auction. The highest bids from the online auction then represent the starting bids at the following Live Auction.

AFTER THE AUCTION

7 AMOUNTS ADDED TO THE HAMMER PRICE

- 7.1 In addition to the hammer price, see paragraph 5.3, the buyer pays a buyer's premium for the individual items as well as the other amounts described below if the conditions for these are applicable. The total amount that the buyer pays to BRK is called the "purchase price".
- 7.1.1 Buyer's Premium: The hammer price always includes an additional fee to BRK. At the Live Auctions, the fee is 25,6% of the hammer price + VAT of the fee, 32% in total. For stamps and coins, the fee is 20% of the hammer price + VAT of the fee, a total of 25%.
- 7.1.2 "LIVE Bidding": BRK's "LIVE Bidding" software is free to use for bidders on bruun-rasmussen.dk.
- 7.1.3 Full VAT: Certain items are sold at auction in accordance with the current rules regarding full VAT. In such a situation, a VAT of 25% is imposed on both the hammer price and the buyer's premium. These items are marked in the catalogue and on bruun-rasmussen.dk with the symbol "*", or with the text: "This item is subject to full VAT".
- 7.1.4 Artist's Resale Right: In accordance with Danish copyright law, a royalty fee covering the Artist's Resale Right has to be charged for works by newer Danish artists, and some foreign artists, who are either alive or have not been dead for more than 70 years. The royalty fee covering the Artist's Resale Right is charged on behalf of VISDA (Visual Rights Denmark). These works are marked "ARR" in the printed catalogue, and on bruun-rasmussen.dk the description of the works includes the text: "This lot is subject to the Artist's Resale Right". The royalty fee covering the Artist's Resale Right is added to the hammer price + the buyer's premium (excluding VAT) if the amount exceeds EUR 300, as indicated below:

Hammer price + buyer's premium (ex. VAT)	Payment Rate
300,01 - 50,000 euro	5%
50,000,01 - 200,000 euro	3%
200,000,01 - 350,000 euro	1%
350,000,01 - 500,000 euro	0.5%
over 500,000 euro	0.25%

The royalty fee covering the Artist's Resale Right cannot exceed EUR 12,500 (excluding VAT) for each item. The fee must be paid in Danish kroner, and the conversion rate (EUR/DKK) is set by VISDA.

- 7.1.5 Debit/Credit Card Fee: Amounts Added to the Hammer Price: BRK reserves the right to charge the debit/credit card fees imposed by the payment services companies. The rates will appear when bidding on bruun-rasmussen.dk and at payment.

8 PAYMENT DEADLINE

- 8.1 The purchase price falls due after the hammer price has been determined, and then the buyer has eight days to pay BRK the purchase price.

9 PAYMENT METHODS

- 9.1 The payment can be made in the following ways:
- A: With debit/credit card (Visa, MasterCard, Maestro, Diners Club, China UnionPay and JCB) or cash (up to DKK 14.999) in the saleroom or subsequently at one of

BRK's locations. Please note that we do not accept EUR 500 banknotes.

- B: With debit/credit card (Dankort, Visa, MasterCard, Diners Club and JCB) via BRK's website on the buyer's personal page.
- C: By bank transfer into BRK's account with Danske Bank: 4183 4310970638 · Swift/BIC: DABADKKK · IBAN: DK4130004310970638.

10 VAT EXEMPTION, PAYMENT & DEPOSIT

- 10.1 Some buyers can choose which type of VAT should apply to the transaction. The choice has to be communicated to BRK no later than two working days after the purchase and cannot be changed subsequently.
- A: Businesses in Denmark registered for VAT can decide that the transaction is to be conducted in accordance with the rules for full VAT, see paragraph 7.1.3.
- B: Businesses registered for VAT in another EU Member State can be exempted from paying Danish VAT if it can be proved that the item has been transported to the foreign address that the buyer has registered with BRK and which is written on the invoice. In such cases, the VAT should be settled according to the rules applicable in the country where the buyer is registered for VAT. It is advisable to consult with the local authorities. The buyer can decide not to be exempt from regular VAT and instead pay Danish VAT on second-hand goods/full VAT.
- C: Buyers residing outside the EU can be exempted from Danish VAT if it can be proved that the item has been transported out of the EU. To the extent possible and for a fee, BRK can issue the necessary export documents for the customs authorities. The buyer may decide not to be exempt from regular VAT and instead pay Danish VAT on second-hand goods/full VAT.
- 10.2 Companies registered for VAT in another EU Member State and buyers residing outside the EU must deposit the Danish VAT on the amount invoiced with BRK until the export process has been completed in a documented, lawful fashion. If the export is undertaken by one of BRK's authorized forwarding agents, the VAT does not have to be deposited. See the list of authorized forwarding agents on bruun-rasmussen.dk.

11 OVERDUE PAYMENTS

- 11.1 If payment is made after a deadline, including the deadline specified in paragraph 8, interest on overdue payments will be charged and estimated in accordance with the Danish Central Bank's official lending rate + 8% per year on the amount due.
- 11.2 If the purchase price, including interest, has still not been paid ten days after the demand for payment has been made, BRK is entitled to seek the purchase price paid by making a set-off against the deposit/by drawing on the bank guarantee or to cancel the purchase.
- 11.3 If the purchase is cancelled, BRK is entitled to sell the item at a new auction and demand the costs and any difference between the new and the earlier hammer price (including the buyer's premium) covered by the defaulting buyer.
- 11.4 In addition to debt collection, BRK may seek recovery of all due claims (including costs) not paid in a timely manner in the following ways:
- A: Making the buyer cover the costs of selling items consigned to auction by or on behalf of the buyer. The sale can be conducted without regard to an agreed reserve price. Items consigned for auction cannot be collected as long as overdue debts are unpaid.
- B: Seizing the buyer's remaining balance with BRK, including the balance from the sale of items consigned by or on behalf of the buyer, regardless of whether such receivables derive from auction sales prior to or after the date of the buyer's default on the payment.

12 PICK-UP & COLLECTION

- 12.1 The title to a purchased item passes to the buyer when the full purchase price, including any interest and fees, has been paid, and only then can the collection of an item take place.
- 12.2 In connection with the collection of a purchased item, BRK reserves the right to demand satisfactory documentation that the person who wants to pick up the item is either the buyer himself/herself or authorized by the buyer to receive the item on his/her behalf.
- 12.3 The collection of certain weapons requires presentation of a valid weapons certificate. Items with such requirements are listed with the text: "The purchase of this item requires the presentation of a valid weapons certificate" in the catalogue and on bruun-rasmussen.dk.
- 12.4 Purchased items are stored after the auction at the buyer's expense and risk. Pick-up must take place no later than eight working days after the last auction day.
- 12.5 If the item(s) is/are not picked up on time, the purchased items will be transported to a warehouse at the buyer's risk and expense. The transport costs are DKK 150 including VAT per item and the storage costs are DKK 150 including VAT per item for each week or part of a week. If an item is left unclaimed for an amount of time that results in the storage costs exceeding the value of the item, BRK will be entitled to, at the buyer's expense and risk and without regard to the reserve price, sell the item at an auction or privately. The buyer is still liable for the costs of transportation and storage not covered by such sale.
- 12.6 In accordance with current anti-money laundering laws, the buyer must in certain cases submit personal information and present a photo ID to BRK before the buyer can have the purchased item placed in his possession.

13 SHIPPING

- 13.1 If the buyer is unable to pick up the purchased item, BRK offers to pack and arrange delivery either by mail or by freight forwarder at the buyer's risk and expense. See paragraph 12.2 regarding identification.

14 EXPORT LICENSE

- 14.1 To ensure that Danish cultural heritage of vital importance remains in Denmark, the Danish Cultural Assets Commission can place an export ban on certain items. If the buyer wishes to export an item that is subject to an export ban in Denmark, the purchase will be cancelled and the Danish Cultural Assets Commission is obliged to acquire ownership of the item for the price obtained at auction. The buyer cannot raise any claims against BRK as a result of an export ban.
- 14.2 Certain items are included in the Washington Convention, also known as CITES. The purpose of CITES is to stop the trade of items made with endangered species and flora. If the item is included in the Washington Convention, CITES, Appendix 1, this will appear in the description of the item on bruun-rasmussen.dk and be marked with the symbol "☉" in the catalogue. The following rules are applicable:

A: Items that are included in the Washington Convention, CITES, Appendix 1, can only be traded when a dispensation in the form of a CITES certificate has been obtained. BRK obtains the required certificate from the Danish Nature Agency that allows trade and export to countries within the EU. Items that were produced before 1947 can, however, be freely traded within the EU without a certificate.

B: It is only items included in the Washington Convention, CITES, Appendix 1 that are marked individually on bruun-rasmussen.dk and in our catalogue. Items included in the Washington Convention, CITES, Appendix 2, which can be freely sold and transported within the EU, are not individually marked.

C: Export to countries outside the EU must, regardless of the year of the item's production, always procure a CITES re-export permit from the Danish Nature Agency if the item is included in the Washington Convention, Appendix 1 and 2. This export permit can usually be

obtained without problems, if the item is either sold with a CITES certificate or was made prior to 1947. Appendix 2 items usually also receive a re-export permit without problems. Any fees charged by the Danish authorities in connection with the issuance of a re-export permit will be added to the buyer's invoice.

D: In connection with export to other countries outside the EU, special rules may apply concerning the subsequent import, and the buyer is encouraged to consult the relevant local authorities about this issue.

15 DEFECTS IN THE PURCHASED ITEMS

- 15.1 The lack of conformity rules of the Danish Sale of Goods Act may apply. Below is a non-exhaustive excerpt of the buyer's remedies in regard to lack of conformity.
- 15.2 The buyer is entitled to cancel a purchase if the description contained significant errors that have led to a higher hammer price than a correct description would have resulted in. In such cases, the total purchase price will be refunded. The buyer cannot demand payment of interest on the purchase price or demand payment of any other expenses or losses.
- 15.3 A purchase cannot be cancelled and the buyer cannot demand a refund of the purchase price or raise any other claims against BRK if the description of the item is in compliance with paragraph 2. The same applies if evidence of forgery has required the use of scientific methods that were either not available at the time of sale, were excessively costly to use or led to the damage of the item in question.
- 15.4 Claims for a cancellation of a purchase must be notified to BRK when the buyer has discovered the fact that entitles the buyer to cancel the purchase. This notice, however, has to be given no later than two years after the final pick-up date according to paragraph 12.4. The item purchased must be returned to BRK in the same condition as it was on the day it was sold at auction. If these conditions are not met, the buyer loses the right to cancel the purchase and cannot claim a refund of the purchase price. The buyer is responsible for paying the costs associated with the return of the item.

16 OBJECTIONS & LIMITATIONS OF LIABILITY

- 16.1 BRK is aware that errors, technical difficulties and external abuse or disruptive influences may occur during the auction. Bidders cannot raise any claims against BRK as a result of such events.
- 16.2 The buyer is always responsible for the correct payment of VAT and other costs, fees etc. in accordance with Danish and foreign regulations.
- 16.3 Unless otherwise stated in these conditions of purchase, BRK may never be held liable for bidders'/buyers' operating loss, loss of profits, other indirect losses or consequential loss.

17 PRIVACY POLICY

- 17.1 It is important to BRK to ensure confidentiality and security regarding the bidder's/buyer's personal information. The privacy policy can be found on bruun-rasmussen.dk.

18 COMPLAINTS, DISPUTE RESOLUTION AND APPLICABLE LAW

- 18.1 BRK can always be contacted if the bidder/buyer has a complaint.
- 18.2 If the dispute cannot be resolved, the consumer can submit a complaint to the Complaint Resolution Centre, Nævnenes Hus, Toldboden 2, 8800 Viborg, Denmark, email: naevneshus.dk. Consumers residing in another EU country than Denmark can submit their complaint to the European Commission's Online Dispute Resolution platform via the website: <http://ec.europa.eu/odr>.
- 18.3 In Denmark, disputes must be brought before the City Court of Copenhagen, but see paragraphs 18.2. The mandatory rules on jurisdiction apply to consumer interests.

Bruun Rasmussen Auctioneers

The above is an English translation of the Danish version of the Conditions of Purchase. In case of a dispute, only the Danish version of the present Conditions of Purchase of Bruun Rasmussen is valid.
